FOOTE & JENKS, FLAVOR SPECIALISTS

Tisdale is pleased to announce that The Foote & Jenks Corporation recently joined our group of suppliers.

Grover Cleveland was President in 1884 when pharmacists Charles Foote and Charles Jenks began producing lotions, perfumes, and extracts for their **pharmacy** customers. Their excellent products soon spread to the **bakery, dairy, confection,** and **beverage industries.**

Today you can choose from over a hundred standard flavors such as cotton candy and watermelon, or have one customized for your needs,

such as a stronger apple flavor with high notes.

Contact Tisdale for flavor lists, spec sheets, and pricing for the BestBake, DairyDelight, BeverageBooster, and FancyFruit Flavors. We look forward to discussing your flavor solutions with you.

Supplier News

Borregaard

Salt Reduction with Atis YE 300 Yeast Extract

Improves taste in low salt applications, enhances the entire product by increasing umami; amount of salt used can be significantly decreased.

Confoco
