DEHYDRATED ONION LOCALLY WAREHOUSED

Unified Foods now has **dehydrated onion locally warehoused in the DFW Metroplex**. The Egyptian onion comes powdered, granulated, minced, and chopped in the sizes you need.

Unified represents an **Egyptian** company that is certified by Moody International for ISO 22000 and HACCP, plus certified USDA organic. Their plant has multiple cameras, laser-sorting equipment, multiple locations of magnets and electronic metal detection. Egyptian onion is widely recognized as top quality.

Unified Foods has just completed a 30,000 square foot reprocessing facility in Southern China. The new facility will

dry and reprocess a full line of vegetables including bell pepper, tomato, carrots, and celery. The factory has a full laboratory, is HACCP certified, and third party audits by AIB International certified it for quality and safety.
